### Grandmother Paul's Sour Cream Pound Cake (My favorite from Paula Deen)

Serves 16 to 20

#### Ingredients:

½ lbs (2 sticks) butter  
3 cups sugar  
1 cup sour cream  
3 cups all-purpose flour  
½ tsp baking soda  
6 eggs  
1 tsp vanilla

Preheat oven to 325 degrees

Cream butter and sugar together; add sour cream. Sift flour and baking soda together. Add to creamed mixture, alternately with eggs, one at a time, beating after each. Add vanilla. Pour into greased and floured tube pan and bake for 1 hour 20 minutes.

This cake is still great after freezing.
